An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it **MUST** be submitted no later than the payment of the issue fee.

The 10/27/04 Amendment under 37 CFR 1.312 has BEEN ENTERED.

However, claim 11 is improper because it is not "withdrawn status" but was canceled. The examiner has corrected this situation by adding new claim 43:

Add the following Claim:

43. (New) The mixture of claim 1 in vivo.

Note: This added claim was necessary because the examiner inadvertently canceled original claim 11 and rejoinder was proper with claim 11 and the remaining active claims. Since claim 11 was canceled, it was necessary to thus add claim 43.

Inquiries may be made to Paul Marcantoni at 571-272-1373.
